Mortal Jigsaw Puzzle Oct 09 2021 The Mortal Jigsaw puzzle follows the struggles of a heroic urban vice principal, as he attempts to control a large high school teetering on the verge of chaos. During the course of an infamous day known as Fat Lip Friday, the ghetto principal tries valiantly to keep control of his school in the midst of a full blown gang war. Immersed in an environment replete with urban music, violence, verbiage, and dress, the reader is bombarded with shocking images of life in the modern hood. As the visceral educational conflagration unfolds, the protagonist, Jose Perez, unexpectedly catches glimpses of a diabolical conspiracy of which street gangs are just a small part. Thanks to his keen senses, Mr. Perez slowly collects the pieces to a profoundly disturbing global puzzle comprised of codes, lyrics, art, and symbols of Egyptian, Masonic, and satanic origin. While attempting to place the gratuitous carnage and depravity of the inner city into perspective, Mr. Perez accidentally stumbles upon an interdisciplinary mind control plan which draws upon religion, politics, economics, psychology, marketing, history, and the occult. Alarmed by his findings, Mr. Perez warns his community of their pending doom, only to be hunted down by the very debt cattle whom he tries to save from oblivion. In the end, both his community and his nation are condemned to fall under this nefarious plot, as this educators quixotic mission abruptly ends with an ominous knock on his front door.

Honor, Shame, and the Gospel: May 24 2020 An Honorific Gospel: Biblically Faithful & Culturally Relevant Christians engaged in communicating the gospel navigate a challenging tension: faithfulness to God's ancient, revealed Word—and relevance to the local, current social context. What if there was a lens or paradigm offering both? Understanding the Bible—particularly the gospel—through the ancient cultural “language” of honor-shame offers believers this double blessing. In *Honor, Shame, and the Gospel*, over a dozen practitioners and scholars from diverse contexts and fields add to the ongoing conversation around the theological and missiological implications of an honorific gospel. Eight illuminating case studies explore ways to make disciples in a diversity of social contexts—for example, East Asian rural, Middle Eastern refugee, African tribal, and Western secular urban. *Honor, Shame, and the Gospel* provides valuable resources to impact the ministry efforts of the church, locally and globally. Linked with its ancient honor-shame cultural roots, the gospel, paradoxically, is ever new—offering fresh wisdom to Christian leaders and optimism to the church for our quest to expand Christ's kingdom and serve the worldwide mission of God.
