Fans of Jill Shalvis and Debbie Macomber will love this sweet small-town romance where a man returning to his hometown on the coastal island of South Carolina just may find love with his childhood friend. Home is where the heart is. Architect Morgan Dane has always lived according to a plan, crossing off her achievements one by one. But when she's offered her dream job--the restoration of historic Angels Landing Plantation on beautiful Cavanaugh Island--Morgan's life takes an unexpected turn. Carpenter Nathaniel Shaw once took a big chance on commitment--and lost. Needing the healing comforts of home, he returns to Haven Creek to join the family business. Nothing in the small town has changed--except for Morgan Dane. The wallflower he knew in high school has grown into a beautiful woman . . . and stirs feelings Nate isn't sure he's ready for. Together Nate and Morgan find a happiness neither could have predicted. But when secrets from the past come to light, their budding relationship is threatened. Will they play it safe, or risk their hearts to build a life together? For fans of Divergent, The Hunger Games, and Stranger Things who want to discover something new ... "I have read hundreds of books and it is extremely rare for me to be surprised or give 5 stars. I almost always anticipate the plot twists. I thought I had this one all figured out from the very beginning ... [I] couldn't have been more wrong! ... An exhilarating, emotional, fast paced read that I couldn't put down ... This story was utterly unique." - Justine, Book Catharsis [EIGHT CHILDREN WERE KIDNAPPED.BUT WHY?](#) Eight kids, ages nine to seventeen, awoken to find that almost everything they have ever known has been stolen from them. They were ripped from their beds in the middle of the night and transported to an unfamiliar and unforgiving new world where there are strict rules, and they are punished if they refuse to obey. As the kids grapple with their mysterious new reality, they struggle with disconcerting questions. Where in the world are they? Why were they taken away from their families? Will they ever get to go back home? And the most frightening question of all: Will this be the place where they die? What readers are saying about THE UNKNOWN: "Gripping ... Unique ... He's used to people judging him for his rough background, his intimidating size, and now, his orphan status. He's always been on the outside, looking in, and he's fine with that. Until he moves to New Wurzburg and meets Friederike Burkhart. Freddie isn't like normal teen girls, though. And someone wants her dead for it. Freddie warns he'd better stay far away if he wants to stay alive, but Rain's never been good at running from trouble. For the first time, Rain has something worth fighting for, worth living for. Worth dying for. An adrenaline-fuelled adventure, second in the Haven series, by top thriller writer Simon Lelic. You don't know it exists, but when you have nowhere else to turn, the Haven will find you ... Our city. Our secret. Our rules. In this best-selling sequel to Fairy Dust and the Quest for the Egg, Newbery Honor-winning author Gail Carson Levine and illustrator David Christiana spin a riveting fairy tale about the dangers of dreams come true. Award-winning journalist Ruth Gruber's powerful account of a top-secret mission to rescue one thousand European refugees in the midst of World War II In 1943, nearly one thousand European Jewish refugees from eighteen different countries were chosen by President Franklin Delano Roosevelt's administration to receive asylum in the United States. All they had to do was get there. Ruth Gruber, with the support of Secretary of the Interior Harold Ickes, volunteered to escort them on their secret route across the Atlantic from a port in Italy to a "safe haven" camp in Oswego, New York. The dangerous endeavor carried the threat of Nazi capture with each passing day. While on the ship, Gruber recorded the refugees' emotional stories and recounts them here in vivid detail, along with the aftermath of their arrival in the US, which involved a fight for their right to stay after the war ended. The result is a poignant and engrossing true story of suffering under Nazi persecution and incredible courage in the face of overwhelming circumstances. When Sadie Lapp discovers an abandoned baby on her doorstep, the rumors begin to fly in her peaceful Amish community. By the author of the Lancaster County Secrets series. Original. THE HAVEN is the tale of a bastion of mankind surrounded by endless forests, faced with constant wars and fears of extinction from hordes of cunning, savage wild dogs. A New York Times Bestseller The Last Magician meets The Lady's Guide to Petticoats and Piracy in this "spectacular, singular, and spellbinding" (Casey McQuiston, New York Times bestselling author of Red, White & Royal Blue) historical fantasy following a young woman who discovers she has magical powers and is thrust into a battle between witches and wizards. In 1911 New York City, seventeen-year-old Frances Hallowell spends her days as a seamstress, mourning the mysterious death of her brother months prior. Everything changes when she's attacked and a man ends up dead at her feet—her scissors in his neck, and she can't explain how they got there. Before she can be condemned as a murderess, two cape-wearing nurses arrive to inform her she is deathly ill and ordered to report to Haxahaven Sanitarium. But Frances finds Haxahaven isn't a sanitarium at all: it's a school for witches. Within Haxahaven's glittering walls, Frances finds the sisterhood she craves, but the headmistress warns Frances that magic is dangerous. Frances has no interest in the small, safe magic of her school, and is instead enchanted by Finn, a boy with magic himself who appears in her dreams and tells her he can teach her all she's been craving to learn, lessons that may bring her closer to discovering what truly happened to her brother. Frances's newfound power attracts the attention of the leader of an ancient order who yearns for magical control of Manhattan. And who will stop at nothing to have Frances by his side.

Frances must ultimately choose what matters more, justice for her murdered brother and her growing feelings for Finn, or the safety of her city and fellow witches. What price would she pay for power, and what if the truth is more terrible than she ever imagined? **Books in the UNKNOWN series: Book 1: THE UNKNOWN Book 2: THE HAVEN** *THE HAVEN* is currently available in Kindle format and in paperback. Audiobook coming in 2021. *THE UNKNOWN* is sold separately. If you like fast-paced thrillers with intriguing mystery, captivating suspense, unexpected twists and turns, a dash of romance, and surprising climaxes that bring everything together, don't miss this original new series! This book traces the history of the electric interurban in West Michigan, telling the story of the growth, operation, and demise of an electric railway. The Grand Rapids, Grand Haven & Muskegon (GREG H&M) Railway was part of a network of electric railroads that spread across southern Michigan in the early part of the 20th century. For nearly 30 years, the railway connected Grand Rapids with Muskegon and Grand Haven on the Lake Michigan shore. The fast and frequent service it offered transformed life in Coopersville, Nunica, Berlin (now Marne), Fruitport, and other smaller communities along the way. In addition, the railway and the boats of the Goodrich and Crosby steamship lines provided an overnight connection with Chicago and Milwaukee. Moving both people and freight, this interurban had an important impact on both local and regional economies. *Images of Rail: The Grand Rapids, Grand Haven & Muskegon Railway* traces the history of the electric interurban in West Michigan, telling the story of the growth, operation, and eventual demise of an important electric railway in the region. In the sequel to *Fairy Dust and the Quest for the Egg*, three fairies from Never Land must deliver a wand they promised to the mermaid who has threatened to flood their home in Fairy Haven. For the teens at *The Haven*, the outside world, just beyond the towering stone wall that surrounds the premises, is a dangerous unknown. It has always been this way, ever since the hospital was established in the year 2020. But *The Haven* is more than just a hospital; it is their home. It is all they know. Everything is strictly monitored: education, exercise, food, and rest. The rules must be followed to keep the children healthy, to help control the Disease that has cast them as *Terminals*, the Disease that claims limbs and lungs—and memories. But *Shiloh* is different; she remembers everything. *Gideon* is different, too. He dreams of a cure, of rebellion against the status quo. What if everything they've been told is a lie? What if *The Haven* is not the safe place it claims to be? And what will happen if *Shiloh* starts asking dangerous questions? Powerful and emotional, *The Haven* takes us inside a treacherous world in which nothing is as it seems. "Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel, and you have an idea of what Carol Lynch Williams has done for early teen readers." (Audrey Coulombis, author of the Newbery Honor Book *Getting Near to Baby*) The heart-stopping conclusion and final instalment in the quartet, *A Trial of Blood & Steel*. The Army of the Regent Arosh advances on the forces loyal to Saalshen, homeland of the serrin people, as the serrin's friends are in full retreat. Their only hope is to reach the city of Jahnd, the serrin word for

Haven - across the River Ipshaal, the only human city in Saalshen itself. The Army of Lenayin marches with the Regent, but Sasha, sister of newly crowned King Koenyg, can no longer stomach the awful cause for which her people march. As tensions between herself and her brothers rise, Sasha's sister Sofy, wedded to the Regent, travels to the city of Tracato, to attempt to negotiate a peaceful transition of its wonderful heritage to her husband's rule. But there are forces beneath the Regent's banner that wish to see all serrin and serrin-influenced civilisation destroyed for good. As the serrin people fight for survival, families must be betrayed, enemies reconciled, nations persuaded and great armies fought, as *A Trial of Blood & Steel* reaches its dramatic conclusion. Three years ago, Ash's mom, Kristin, left home and never came back. Now, Ash lives in the house where Kristin grew up. All of her things are there. Her old room, her old clothes, and the shed, where she spent her childhood creating a fantasy world called Koretris. Ash knows all about Koretris: how it's a haven for girls, with no men or boys allowed, and filled with fanciful landscapes and creatures. When Ash's friends decide to try going to Koretris, using one of Kristin's spellbooks, Ash doesn't think anything will happen. But the spell works, and Ash discovers that the world Kristin created is actually a real place, with real inhabitants and very real danger. But if Koretris is real, why is Ash there? Everyone has always called Ash a boy. Ash uses he/him pronouns. Shouldn't the spell have kept Ash out? And what does it mean if it let Ash in? Lilah Sturges is the author of many comic books. She lives in Austin, Texas with two daughters and two cats. Meaghan Carter is an illustrator with a love for shonen fighting spirit and aggressive female leads. Since graduating in 2010, she's honed her work with anthologies and webcomics. She lives with her husband and 3 cats in Toronto. The black ghetto is thought of as a place of urban decay and social disarray. Like the historical ghetto of Venice, it is perceived as a space of confinement, one imposed on black America by whites. It is the home of a marginalized underclass and a sign of the depth of American segregation. Yet while black urban neighborhoods have suffered from institutional racism and economic neglect, they have also been places of refuge and community. In *A Haven and a Hell*, Lance Freeman examines how the ghetto shaped black America and how black America shaped the ghetto. Freeman traces the evolving role of predominantly black neighborhoods in northern cities from the late nineteenth century through the present day. At times, the ghetto promised the freedom to build black social institutions and political power. At others, it suppressed and further stigmatized African Americans. Freeman reveals the forces that caused the ghetto's role as haven or hell to wax and wane, spanning the Great Migration, mid-century opportunities, the eruptions of the sixties, the challenges of the seventies and eighties, and present-day issues of mass incarceration, the subprime crisis, and gentrification. Offering timely planning and policy recommendations based in this history, *A Haven and a Hell* provides a powerful new understanding of urban black communities at a time when the future of many inner-city neighborhoods appears uncertain. Portraits of young women reflect the style that made artist Harrison Fisher popular at the turn of the 20th century. More than 30 ready-to-color illustrations depict ladies at play and in repose. Two sisters come to terms with their extraordinary powers in a new middle grade fantasy from Supergirl's Melissa Benoist and her sister, the writer Jessica Benoist, with the New York Times bestselling author, Mariko Tamaki. Ellie McFadden has intuitive gifts. She can sense what other living things are feeling. She can even talk to animals! Too bad she can't connect with her twin sister, Parker. Parker McFadden has kinetic gifts. She can cause shocks to the earth and produce heat energy that explodes from her body like fire, especially when she is angry. The sisters aren't aware of the legacy they inherited from their mother until, on their thirteenth birthday, two mysterious relatives on the Power side whisk them off to an isolated sanctuary called Haven. Ellie immediately adapts to their new routine, but Parker has one impulse: to get back to her normal life of friends and sports, fast. Unlocking Haven's secrets is just the beginning of what Ellie and Parker can do if they choose to work together to harness their abilities. But the sinister force that took their mother has other plans; and if the sisters' fragile relationship succumbs to *The Danger*, a terrible fate may befall the people they love. This epic tale of two remarkable girls and the powers they wield is sure to appeal to fans of Chris Colfer, Rick Riordan, and Tui T. Sutherland. The revelation that the human race is not alone has sent shockwaves

throughout Earth's naval powers. Suddenly all eyes have turned to Haven and the trade routes to the Vestarian and Kulrean homeworlds. Thinking he has nothing to lose, Haven's First Councilor puts into motion a plan that threatens to turn star empire against star empire. As a result, Captain James Somerville finds himself thrown into the thick of battle once again. Yet not everyone in the Admiralty is enamored with his brash style of command and this time, his reckless actions may finally catch up with him. Return to Haven is the third novel in the Empire Rising military sci-fi series. He's her darkest fantasy. . . After years of struggling, Haven Daly has finally accepted that she's nuttier than a fruitcake. Why else would she see visions of a beautiful but tormented male every night . . . and actually believe she can talk to him, even feel his touch? But thanks to those dream journeys, she can paint images nobody else on earth can duplicate. In each brush stroke, she captures the blatant masculinity and raw desire in his eyes that promise he's coming for her...and soon. She's the light that keeps him going. . . Quade Kayrs has already suffered a lifetime of pain and torture. Completely isolated, he kept his sanity thanks to one beautiful female, a vision with kind emerald eyes. In the end, her soft voice led him out of hell. Now, naked and alone, he's in a strange world that bears little resemblance to the one he left behind. All he knows is Haven. All he wants is Haven. His final mission? To protect her from the evil hunting them both—whether she likes it or not . . . “Spicy romantic interplay; highly recommended.” —Library Journal on Vampire's Faith “Sizzling sex scenes and a memorable cast.” —Publishers Weekly on Claimed “A fast-paced, excitement-filled explosion of action... Zanetti keeps getting better.” —RT Book Reviews on Marked, 4.5 Stars Top Pick When her cherished Ma Millie falls ill, a timid housecat ventures into the wild to seek help in this adventure about love, loss, and finding the truest version of ourselves. A warm, cozy lap. The toasty smell of baking bread. Tasty food served in a bright-blue bowl. These make Haven's life as an indoor pet heaven. All thanks to her beloved human and rescuer, Ma Millie. But when Ma Millie becomes too sick to care for her, the cat's cozy life is turned upside down, and Haven decides she must seek out another human for help. Anything for Ma Millie! Her vow pulls her out of her safe nest into the shadowy forest and down unfamiliar and dangerous roads. When her first plan fails, Haven meets a wilderness-savvy fox who volunteers as an ally, and their perilous journey together brings some victories. But Haven finds herself pitted against creatures far wilder than she ever could be, testing her strength and spirit to their limits. Will her loyalty to Ma Millie--and her newfound confidence in herself--be enough to help Haven see the quest through to its conclusion? Can she stand up against the fierce predator that is tracking her every move? In this beautiful story of adventure and survival from the New York Times bestselling author of Room, three men vow to leave the world behind them as they set out in a small boat for an island their leader has seen in a dream, with only faith to guide them. In seventh-century Ireland, a scholar and priest called Artt has a dream telling him to leave the sinful world behind. Taking two monks—young Trian and old Cormac—he rows down the river Shannon in search of an isolated spot on which to found a monastery. Drifting out into the Atlantic, the three men find an impossibly steep, bare island inhabited by tens of thousands of birds, and claim it for God. In such a place, what will survival mean? Derived from the ancient art of henna body painting, these 31 striking patterns of animals, flowers, and paisley prints are based on authentic Indian, African, and Middle Eastern sources. Hawk and Fisher: partners, husband and wife, Captains in Haven's City Guard. Known, respected, and mostly feared, Hawk and Fisher fight crime, pursue justice, and protect Haven with their unique blend of strength, steel, and razor-sharp instinct. Haven's citizens have never needed their protection more. The city is a hotbed of violence and corruption, where the natural and supernatural constantly collide, ready to boil over at any moment. Hawk and Fisher have their work cut out for them—for even by daylight, Haven is a dark place. Swords of Haven brings together the first three novels in New York Times bestselling author Simon R. Green's beloved Hawk & Fisher series: Hawk & Fisher A high-level city official is murdered during a dinner party and Hawk and Fisher have only a few hours to find the killer among the guests, including powerful spell-casters, cunning politicians, Haven royalty, and the victim's own wife. Winner Takes All Hawk & Fisher grapple with dark magics, devious politicians, and deadly assassins when they're assigned to protect James Adamant, a fiery young politician whose plan to

root out Haven's corruption makes him very popular...as a target. The God Killer No one is safe in Haven, not even the Gods! When divine residents of the Street of Gods fall prey to a murderer, Hawk & Fisher must team up with an exclusive tactical unit to catch the killer before all hell breaks loose in Haven. WINNER OF THE 2016 BRAM STOKER AWARD FOR SUPERIOR ACHIEVEMENT IN A FIRST NOVEL In 1961, the small town of Haven thought they'd gotten rid of their monster. After a series of child killings, Paul Greymore was caught carrying a wounded girl. His face, disfigured from a childhood accident, seemed to confirm he was the monster the community hoped to banish. With Paul in prison, the killings stopped. For seventeen years, Haven was peaceful again. But Paul served his time and has now returned to Haven--the town where he grew up, and the scene of his alleged crimes. Paul insists he didn't commit those crimes, and several townspeople believe him including the local priest, a young boy named Denny, and his best friend Billy. Trouble is, now that Paul is back home, the bizarre killings have started again--and the patterns match the deaths from Haven's past. If Paul isn't the killer, who is? Or WHAT is? An unlikely band of adventurers attempts to uncover the truth, delving into long-hidden tunnels that might actually be inhabited by a strange, predatory creature. Haven is a compelling horror epic in the spirit of *It* or *Summer of Night*, and a stunning debut novel from a gifted author who knows that the darkest horrors lurk inside human beings, even when there is a monster on the loose. Praise for HAVEN "PW \* With compelling characters (both good and evil), a shifting narration that keeps the story moving, a building sense of dread, and breathless action sequences, this is a well-crafted example of what is best about horror today. While the novel is obviously for fans of *Stranger Things* and the classic small-town horror by those like King or Straub, don't let its setting keep you looking in the past. There is a modern perspective behind this tale, similar to Maberry's *Pine Deep* trilogy or Janz' *Children of the Dark* (2016). Hand out freely to anyone looking for a solid scare." -- Booklist (starred review) "Debut novelist Deady closely examines his setting, showing how the difficulties of facing down mob hysteria and starting over after a lifetime of failure can be as deadly as an escaped military bioweapon." -- Publishers Weekly "Haven is a big, generous, Stephen King-like small town boys vs. monster epic." -- Stewart O'Nan, author of *The Night Country* and *A Prayer for the Dying* "A wonderfully entertaining ride, reminiscent of the *Creature Features* of yesteryear." -- Sloane Kady, author of *Irreparable Deeds* "Full of well-drawn characters and slow burn suspense, Tom Deady's Haven is a terrific dose of New England horror that harkens back to some of my favorite classic monster fiction from writers like Rick Hautala and Charles L. Grant. If you're a fan of this sort of thing, you'll know that's damn high praise. Give it a read." -- Christopher Golden, New York Times bestselling author of *Snowblind* and *Dead Ringers* "Haven is about scars, both literal and figurative; it's about second chances and broken memories. This is a great small-town horror novel--a bullet-read with deep characters and perfect pacing. Best of all, it's creepy as hell." -- Rio Youers, author of *Westlake Soul* and *Point Hollow* "If coming-of-age novels with a bad-ass monster sound good to you... if mounting suspense with a true to life cast of characters peaks your interest...then Tom Deady's HAVEN is right up your alley. Reminiscent of Charles L. Grant, HAVEN is a fun and nostalgic romp that brought me back to my own youth in small-town New England. And who doesn't love a good monster tale?" - John McIlveen, author of *HANNAHWHERE*, winner of the 2015 *Drunken Druid Award* and *Stoker Award* nominee. It only took four years for the world to fall apart. Now the last member of my family has died, and I'm forced to travel across what's left of three states to find the only people I know left alive. To survive, I'll have to salvage food and supplies and try to avoid violent men who've learned they can take what they want by force. The only way I'm going to make it is by trusting Travis. Travis used to fix my car, and now he's all I have left in the world. He's gruff and stoic and unfriendly, and I don't really know or like him. But he's all I have left. He'll keep me safe. We'll take care of each other. Until we reach what's left of our town and can finally let go of one another. *Last Light* is a standalone post-apocalyptic romance set in the near future after a global catastrophe. Nine-year-old Jake Jacobs had walked over To The window and was looking across the valley and up To The ridgeline. Jake slowly lifted his arm, pointed To The top, and said in a quiet voice, 'They're coming.' it began in *Escape to Haven* when Kent Davidson and members of his

Sunday school class established a self-sustaining community to protect themselves from a corrupt federal government, a new administration, and attacks by terrorists. In *Haven And The Circle of Darkness*, The residents of Haven learn that there are more serious foes than mankind to confront. When one of the residents receives a directive For The community in a vision, The community, with the help of local pastors, set into motion a plan to disciple twelve new believers each week. But as their self-sustaining community attempts to become a nonprofit organization, The residents of Haven soon find themselves under attack from unseen forces that will stop at nothing to shut their efforts of discipleship down. Join author Robert N. Gable in his second novel, *Haven And The Circle of Darkness*, a Christian thriller about the importance of relying on faith when battling demonic forces. Yuletide, the Court of Fools, and unpredictable magic! Stan, the town's pseudo-druid, has decided the Christmas festivities will be different this year. He announces he is the Lord of Misrule and appoints his Court of Fools. Very quickly odd things start to happen. Magic and paranormal characteristics are unveiled, throwing everything into disarray, and making life very difficult for the witches and their friends. And unfortunately, darker events occur, too. Unless Avery, Alex, and the other witches can find a solution, Yuletide may not be as joyous as they hoped. Join the White Haven witches for winter solstice magic and mayhem in this seasonal novella. INSTANT NATIONAL BESTSELLER "The book equivalent of a beach getaway." —PopSugar "A stunning debut." —BookRiot A sweeping debut novel about the generations of a family that spends summers in a seaside enclave on Maine's rocky coastline, for fans of Elin Hilderbrand, Beatriz Williams, and Sarah Blake. 1944: Maren Larsen is a blonde beauty from a small Minnesota farming town, determined to do her part to help the war effort--and to see the world beyond her family's cornfields. As a cadet nurse at Walter Reed Medical Center, she's swept off her feet by Dr. Oliver Demarest, a handsome Boston Brahmin whose family spends summers in an insular community on the rocky coast of Maine. 1970: As the nation grapples with the ongoing conflict in Vietnam, Oliver and Maren are grappling with their fiercely independent seventeen-year-old daughter, Annie, who has fallen for a young man they don't approve of. Before the summer is over a terrible tragedy will strike the Demarests--and in the aftermath, Annie vows never to return to Haven Point. 2008: Annie's daughter, Skye, has arrived in Maine to help scatter her mother's ashes. Maren knows that her granddaughter inherited Annie's view of Haven Point: despite the wild beauty and quaint customs, the regattas and clambakes and sing-alongs, she finds the place--and the people--snobbish and petty. But Maren also knows that Annie never told Skye the whole truth about what happened during that fateful summer. Over seven decades of a changing America, through wars and storms, betrayals and reconciliations, Haven Point explores what it means to belong to a place, and to a family, which holds as tightly to its traditions as it does its secrets. Violet McKenna's life started falling apart when a premonition of her father's murder came true, but at a new school, Winterhaven, she finds friends with psychic gifts and an alluring boy whose destiny is entwined with hers in a critical--and deadly--way. Danny Gurkin believes in his heart that the Sluggers are the best team in baseball. There's just the small matter of breaking a century-old curse involving a pretzel, a bubble-gum tycoon, and a missing shortstop. Danny also believes that the outcome of Sluggers' games depends on him and hot dogs. Because eating two hot dogs with everything before each game is the best kind of luck a fan can give his team. Danny Ghurkin has a date with baseball destiny; he just doesn't know it. Yet. A lakeside summer, a new beginning... Samantha Fremont has been struggling with the weight of her mother's expectations for years. But now that her mother has passed away, it's time for Sam to be bold and finally establish the fashion design business she's always dreamed of. And the perfect opportunity has fallen into her lap. Her friend's getting married and has asked Sam to create her wedding dress...if only she can avoid the

bride's infuriating brother, who's temporarily the boy next door. Ian Summerhill knows a sabbatical in Haven Point is exactly what he and his children need to recover from their mother's death. His romantic relationship with his ex-wife may have ended years ago, but caring for her throughout her illness broke his heart. All he wants is to watch his little sister walk down the aisle and to see his kids smile again. And somehow his lovely new neighbor is instrumental in both. But as their uneasy truce blossoms into a genuine friendship and more, Ian has obligations in England he can't ignore—and a secret that threatens the fragile trust he and Sam have built.
