John C. Maxwell, #1 New York Times bestselling author, helps readers take the first steps to living a life that matters in INTENTIONAL LIVING. We all have a longing to be significant. We want to make a contribution, to be a part of something noble and purposeful. But many people wrongly believe significance is unattainable. They worry that it's too big for them to achieve. That they have to have an amazing idea, be a certain age, have a lot of money, or be powerful or famous to make a real difference. The good news is that none of those things is necessary for you to achieve significance and create a lasting legacy. The only thing you need to achieve significance is to be intentional. And to do that, all you need to do is start. You can't make an impact sitting still and doing nothing. Every major accomplishment that's ever been achieved started with a first step. Sometimes it's hard; other times it's easy, but no matter what, you have to do it if you want to get anywhere in life. In INTENTIONAL LIVING, John Maxwell will help you take that first step, and the ones that follow, on your personal path through a life that matters. Who cares about a person's attitude? As long as someone can do the job, you shouldn't worry too much about it, right? If John Maxwell believed that, you wouldn't have Attitude 101 in your hands right now. As America's leadership expert, Dr. Maxwell has devoted his life to helping people become more successful. His books and seminars teach that anyone can be a REAL success if they master skills in four areas: Relationships, Equipping, Attitude, and Leadership. This book is designed to give you the essentials of attitude. People's lives are so hectic. Their time is valuable, and yet, they are also on information overload. More new information has been produced in the last thirty years than in the previous five thousand. A weekday edition of the New York Times contains more information than average people in seventeenth-century England were likely to come across

in their lifetime. The amount of information available in the world has doubled in the last five years, and it will keep doubling. So this book, a companion to Leadership 101, Relationships 101 (available January 2004), and Equipping 101 (available January 2004), is the short course on attitude. Dr. Maxwell recognizes that as an individual, your attitude has a profound impact on your life. As a leader, you cannot ignore the attitudes of the people you lead and expect to achieve success—whether you're leading a business, a family, a sports team, or a group of volunteers. A person's attitude impacts their relationships, colors their view of failure, and defines their approach to success. Attitude can make or break you. Teamwork makes the dreamwork by John Maxwell. Success One Day At A Time is the kind of book you will want to carry in your car or place at the side of your bed. Each page contains a snapshot of the daily road of an overcomer. It is the perfect gift for the new graduate as well as anyone. In this perfectly compact read, #1 New York Times bestselling author John C. Maxwell explains how true leadership works. It is not generated by your title. In fact, being named to a position is the lowest of the five levels every effective leader achieves. To be more than a boss people are required to follow, you must master the ability to inspire and invest in people. You need to build a team that produces not only results, but also future leaders. By combining the advice contained in these pages with skill and dedication, you can reach the pinnacle of leadership—where your influence extends beyond your immediate reach for the benefit of others. Derived from material previously published in the Wall Street Journal bestseller The 5 Levels of Leadership. Whether you are called to lead or you're simply seeking God's direction for your life, you will benefit from his valuable insights on... Taking Action: "In the beginning, you just need to get moving. Try different things. It's much easier to start doing something right if you've already started doing something. Dreaming Big: "Dreams are valuable commodities. They propel us forward. They give us energy. They make us enthusiastic. Everyone ought to have a dream." Investing in Others: "One of the ironies of leadership is that you become a better leader by sharing whatever power you have, not by saving it all for yourself. You're meant to be a river, not a reservoir. If you use your power to empower others, your leadership will extend far beyond your grasp." Let John's words inspire you to make a difference in your home, your workplace, and your world. "John Maxwell is a nationally respected expert in leadership. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life. Many of us hold ourselves back because we firmly believe our abilities are finite. But what if our supposed limitations are just an illusion? In THE POWER OF YOUR POTENTIAL John Maxwell identifies and examines the seventeen key capacities each of us possesses. Some we are born with, such as how we think or how we naturally relate to other people. The rest are choices, often unconscious, including our attitude or personal disciplines. All are expandable. Maxwell gives clear and actionable advice on what we can do to improve in each of these areas. From learning to manage your emotions and increase your energy, to conquering procrastination and becoming more comfortable with taking risks, you will surpass your own expectations to become a better you than you ever thought possible.
