Very helpful book for Beginners and also very good service and packing. Very good book for GST, Service Tax, TDS and Payroll. Accounting with Tally.ERP 9 in simple Steps is

an all-inclusive guide for students. This book is a complete package that includes all the major topics related to the usage of Tally.ERP 9. SAP ERP modules are notoriously hard to configure and use effectively without a lot of practice and experience. But as SAP ERP Financial Accounting and Controlling: Configuration and Use Management shows, it doesn't have to be so difficult. The book takes a systematic approach that leads SAP Financial Accounting and Controlling (FICO) users step by step through configuring and using all the program's facets. This approach makes configuration complexities manageable. The book's author—SAP expert, trainer, and accountant Andrew Okungbowa—ensures that both you and your end users are up and running quickly and confidently with FICO. He also provides sound and tested procedures that ensure your implementation works without error. SAP ERP Financial Accounting and Controlling: Configuration and Use Management is in fact the most comprehensive and easy-to-follow SAP FICO configuration book in the market. It incorporates a hands-on approach, with hundreds of screen shots and practical examples, that allows a person without prior configuration training to make SAP FICO ready for use in the enterprise. You'll find that you don't need to be a rocket scientist to grasp the concepts explained and apply them to your work—even when the finances are complicated, such as with the ins and outs of taxes, currency conversions, or special general

ledger entries such as down payments or bills of exchange. Providing an in-depth coverage of both configuration and end user procedures, the book covers most aspects of the SAP FICO certification syllabus—SAP's view of the module's key tasks and procedures—including: Configuring and using the general ledger and accounts payable and receivable screens Configuring and completing closing procedures, asset accounting, and financial reporting Configuring global settings and enterprise variables Accounting for both profit and cost centers Creating a house bank Integrating FICO with other SAP modules Taking a jargon-free tone and providing an abundance of examples, Andrew Okungbowa provides a clear understanding of configuration techniques and the breadth of functionalities encompassed by SAP FICO. And as an accountant, Okungbowa understands the needs of end users as well as of those answering to the CIO. Tally is the most popular Accounting software for small and medium businesses. It incorporates all the functions of accounting that a business needs. Tally ERP 9 provides a comprehensive solution to the accounting and inventory needs of a business. The multilingual functionality of Tally.ERP 9, allows you to use the software in the language of your choice. You may maintain your accounts in one language, view them in another and print them in still another language. 13 Indian languages used with Tally are all Unicode, supported on Windows ME/ WindowsNT/ Windows 2000,

Windows XP, and higher operating systems. Riya Chaudhary is MA Business Accounting from Kurukshetra University. This book, more in the nature of a reference book, is exclusively application based and is ideal for every student/ CA/User in taking charge to successfully implement Tally.ERP for GST compliance. Theoretical concepts have not been included assuming that readers are well acquainted and quite familiar with the fundamentals of business accounting. It provides comprehensive knowledge on Financial Accounting as well as a career in Finance and Accounts or as a TALLY user. Enriched with numerous screen shots, examples and practical applications, this book enables polishing the intricacies of TALLY operations and provides step-by-step instructions for: - Activation of GST- Creating a Company - Features & Configuration - Ledgers & Groups - Inventory - Voucher Entry - Stock Journal - Purchase and Sales Registers - Accounting Reports - Statement of A/C - Generating Financial Reports - Cost Centre - Order Processing - E-Filing - Concepts & Implementation of GST, GST Reports, Input Tax Credit E-Way Bill, EEZ, sales from other territories to UT,and More. Tally.ERP 9 MADE Easy Book is helpful all those who want to learn Tally one of most popular accounting software in India. Have you been struggling passing voucher entries in Tally? Or do you

want to become perfect Tally Professional? Yes, then this is right book for study. TYBCOM textbook of Advanced Accounting for Savitribai Phule Pune university (2015-16). Special Features: This book offers 3 stage learning system: Explanation Mode: The book is your first stage in learning. It explains concepts of Windows XP and Office 2007 in a clear, simple language using various small projects and illustrations. Unlike in other books, your learning doesn't stop here. Here you can actually practice what you have learnt. To do this, move to the next mode. Audio-Video Demo Mode: Insert the accompanying software (CD) into your computer and click on the topic you wish to learn. The software automatically starts teaching you the concepts of Windows XP and Office 2007 step-by-step through audio-video and graphics simulations without your having to do anything by explaining again what you learnt from the book and consequently enriching your learning experience. Now to practice what you have just learnt, move on to the final stage. Self-Testing/Practice Mode: The Self-testing Software in this mode tests your skills by asking you to carry out the steps as per the given instructions. If you do it right, you go to the next step. And if you do it wrong, it helps you to correct your mistake. Only when you have done it right will it let you proceed further. About The Book: The book is a

combination of two popular applications in their latest version, MS Excel 2010 and Tally.ERP 9. These two applications are widely used across small as well as large business houses and accounting firms. Vikas Gupta has devised the book for upcoming professionals looking for career opportunity in the field of finance and accounts management as well as for professionals who want to upgrade their skills by learning new versions of applications used in the field of business accounting.
