From the

National Bestselling author of *The Boat Runner* comes a poignant, luminous novel that follows one family over decades and across the world—perfect for fans of the film *Boyhood*. Western New York, 1978: Jamie, Lewis, and Connor Thurber watch their parents' destructive dance of loving, hating, and drinking. Terrance Thurber spends this year teaching his children about the natural world: they listen to the heartbeat of trees, track animal footprints, sleep under the star-filled sky. Despite these lessons, he doesn't show them how to survive without him. And when these seasons of trying and failing to

quit booze and be a better man are over, Terrance is gone. Alone with their artist mother, Catrin, the Thurber children are left to grapple with the anger they feel for the one parent who deserted them and a growing resentment for the one who didn't. As Catrin withdraws into her own world, Jamie throws herself into painting while her brothers smash out their rage in brutal, no-holds-barred football games with neighborhood kids. Once they can leave—Jamie for college, Lewis for the navy, and Connor for work—they don't look back. But Terrance does. Crossing the country, sobering

up, and starting over has left him with razor-sharp regret. Terrance doesn't know that Jamie, now an academic, inhabits an ever-shrinking circle of loneliness; that Lewis, a merchant marine, fears life on dry land; that Connor struggles to connect with the son he sees teetering on an all-too-familiar edge. He only knows that he has one last try to build a bridge, through the years, to his family. Composed of a series of touchstone moments, *Tiny Americans* is a thrilling and bittersweet rendering of a family that, much like the tides, continues to come together and drift

apart. A slice-of-life rom-com about pizza and first crushes that readers will gobble up! Maya Reynolds has practically grown up in her family's Brooklyn pizza shop, Soul Slice, and is a true city girl. When her family moves to a small town in Pennsylvania to open another pizza place, everything changes. Being the new girl is hard enough. At Soul Slice 2.0, Maya is assigned delivery duty. And her first delivery is a disaster. Can you make a worse impression than tripping... and falling face-first into a rude boy's pizza order? When that same rude -- and, okay, cute -- boy shows up at her

school, Maya's convinced nothing can go right. But she may be in for some surprises. Could good friends, secret crushes, and creative pizza toppings turn Maya's new home into her own slice of heaven?
